FIBER UPDATE

Lots of action in Manning as crews work to install the new Fiber infrastructure. There are approx. 7 blocks of fiber duct left to bury. About 60% of the fiber has been pulled into the duct and splicing has started. Most of the equipment is installed at the headend and will soon be ready for testing. Crews are expected to begin cutovers by early December 2020. Crews will also be working on seeding yards.

CONGRATULATIONS!

Add a "PS"

To help a neighbor 

"PS" is Project Share - a program that assists needy households in paying their winter energy bills. You can help this effort by adding a regular Project Share contribution to your utility payment, or by making a direct donation to Project Share. These funds are distributed to your neighbors in need.

A local social service agency carefully identifies those residents who qualify, and a local committee oversees Project Share to guarantee that all contributions are handled equitably and efficiently.

Adding a "PS" - a Project Share contribution to your utility payment each month is a simple way to share some warmth with those who need it.

Customer APPRECIATION

2020 HIGHLIGHTS MMU celebrates YOU, our valued customers!

MMU partnered with the City of Manning to host the 3rd annual Customer Appreciation on July 23rd at the Kerkhoff Shelter House in Manning. It was a fun evening for all! A huge thank you to Theo & Bonnie Ramsey, owners of The Ramsey's Market, who entertained the crowd with live music. Not only did they give a great deal on all the meal supplies for the evening, but WOW can they sing! Back again by popular demand were the famous Deb's Corner Café pies. MMU also handed out gift bags as a special thank you to customers.

The community support is truly valued by MMU!
